Funding Opportunities Update for Not-for-Profits

Key objectives of the Local Diversity and Immigration Partnership Council (LDIPC) are to create a culture of inclusion and support the two-way integration of diverse populations. One way to achieve these is to support the work of the not-for-profit sector in Durham Region.

We know that funding is very important to not-for-profit organizations. As we find out about grants and funding opportunities we are committed to sharing that information with our community partners. We know that a strong, well-funded not-for-profit sector can better meet the needs of Durham's diverse communities.

Please share this information with your own networks and contacts. If you would like to have additional email addresses added to this list or you would like to be removed from the list, please contact us by [email](mailto:ldipc@durham.ca) (ldipc@durham.ca).

Important Tip! Register your organization online at the [Grants Ontario website](http://www.grants.gov.on.ca) (www.grants.gov.on.ca). Grants Ontario provides information about available grants, how to apply for grants and how to check the status of your application.

RBC Youth Mental Health Project

Deadline: Ongoing

We fund programs that address youth and family's immediate need to access mental health services, a critical area identified by parents, youth and experts in the field. We have chosen to focus our funding on two areas where we believe our support can make the biggest difference:

- Technology based solutions

We will also consider supporting other programs that increase access to care if they are collaborative, have proven results and can demonstrate successful outcomes.

We will prioritize granting for programs that increase collaboration across service providers to reduce fragmentation. Our hope is that our funding will help achieve integration not just within

the mental health system, but between the mental health and general health systems. We also prefer to fund programs that do not duplicate services provided by other organizations.
